AN ESSENTIAL JOURNAL ON BIOACTIVE COMPOUNDS

CURRENT BIOACTIVE COMPOUNDS

Editor-in-Chief: Adriano Mollica
Co-Editor-in-Chief: M. Iqbal Choudhary

The journal aims to provide comprehensive review articles as well as research papers on new bioactive compounds with proven activities in various biological screenings and pharmacological models with a special emphasis on stereoselective synthesis. The aim is to provide a valuable information source of bioactive compounds synthesized or isolated, which can be used for further development of pharmaceuticals by industry and academia.
