Meet Our Editor-in-Chief

Ram Gupta
Pittsburg State University
Pittsburg, KS
USA

Dr. Ram Gupta is an Associate Professor at Pittsburg State University. Before joining to Pittsburg State University, he worked as an Assistant Research Professor at Missouri State University, Springfield, MO then as a Senior Research Scientist at North Carolina A&T State University, Greensboro, NC. Dr. Gupta’s research focuses on green energy production and storage using conducting polymers and composites, electrocatalysts, fuel cells, supercapacitors, batteries, nanomaterials, optoelectronics and photovoltaics devices, organic-inorganic hetero-junctions for sensors, nanomagnetism, bio-based polymers, bio-compatible nanofibers for tissue regeneration, scaffold and antibacterial applications, bio-degradable metallic implants. Dr. Gupta published over 200 peer-reviewed articles, made over 275 national/international/ regional presentations, chaired many sessions at national/international meetings, wrote several book chapters, and received over two million dollars for research and educational activities from external agencies. He is serving as Associate Editor, Guest editor, and editorial board mem-
ber for various journals.
