In the following article, the author reported an error in the abstract’s result section [1].

The results section of the abstract has been changed as follows:

\textbf{Results}: The main benefits (e.g., specialized centres for the treatment of CF exist or a new breakthrough in the gene therapy of CF has been made) and limitations (e.g., comorbidity of CF, lifelong and costly treatment, or adverse impact on patient’s and caregiver’s quality of life) in the treatment of CF are highlighted.

The original results section of the abstract was published as:

\textbf{Results}: The main benefits (e.g., specialized centres for the treatment of CF exist or a new breakthrough in the gene therapy of CF has been made) and limitations (e.g., comorbidity of CF, lifelong and costly treatment, or adverse impact on patient’s and caregiver’s quality of life) in the treatment of narcolepsy are highlighted.
