Daniel M. Alongi
Tropical Coastal & Mangrove Consultants
Victoria
Australia

Dr. Daniel M. Alongi is the Lead Consultant for Tropical Coastal & Mangrove Consultants. Dr. Alongi was previously a Senior Principal Research Scientist at the Australian Institute of Marine Science, Queensland, Australia from 1985-2015 and a Visiting Associate Professor in the Department of Ecology and Genetics, Aarhus University, Denmark. Dr. Alongi devotes his research to understand the drivers underpinning the structure and function of tropical estuarine, coastal and shelf ecosystems, especially biogeochemical cycles. Dr. Alongi is a world-recognized expert on mangrove forests. He has published about 250 peer-reviewed papers with total citations of over 17,000. Dr. Alongi has authored and co-authored four books.
