Meet the Editorial Board Member

Antonio Crisafulli

Department of Medical Sciences and Public Health
Sports Physiology Lab
University of Cagliari
Cagliari
Italy

Prof. Antonio Crisafulli is a medical doctor and a cardiovascular physiologist at the University of Cagliari (Italy). He is also a specialist in Sports Medicine and has a PhD in Physiology. He presently leads the Laboratory of Sports Physiology and teaches human physiology at the faculty of Medicine.

His fields of expertise are cardiovascular physiology and physiopathology, exercise physiology, assessment of physical capacity and cardiovascular response during exercise in healthy subjects and in patients suffering from cardiovascular, metabolic, and neurological diseases. He has co-authored about 125 papers in peer-reviewed journals and served as a reviewer for more than 50 journals, such as the American Journal of Physiology, Nature Clinical Practice Cardiovascular Medicine, International Journal of Cardiology, European Heart Journal, European Journal of Cardiovascular Prevention and Rehabilitation, and Current Cardiology Reviews.

He is a member of the editorial board of the International Journal of Sports Medicine.

He is a member of the Physiological Society, the American Physiological Society, the Italian Society of Cardiovascular Research, the European College of Sport Science, and the American College of Sports Medicine. He has participated in more than 30 international congresses on cardiology, physiology, and sports science as a speaker.
