Meet the Editorial Board Member

Valeria Pittalà

Department of Drug and Health Science
University of Catania
Catania
Italy

Dr. Pittalà attained her MSc in Chemical and Pharmaceutical Technologies, and subsequently completed her Ph.D. in Pharmaceutical Sciences at the University of Catania. Then, Dr. Pittalà moved to Milan to join Pharmacia Corporation as a research scientist. She worked as member of Combinatorial Chemistry Group and contributed to the discovery and identification of danusertib as co-inventor of bicyclopyrazoles chemicals. She currently holds the position of Assistant Professor at the University of Catania. Her major area of interest are the design and synthesis of heme oxygenase-1 inhibitors, and sigma receptor ligands as new antitumor agents. She has 7 patents to her credit.
