Meet the Frontiers Section Editors

Diego Dal Ben

School of Pharmacy
University of Camerino
Camerino
Italy

Dr. Ben got his PhD in Pharmaceutical Sciences from the University of Padova (Italy) then he moved to the University of Camerino (Italy) where he is currently an Associate Professor of Medicinal Chemistry. His research work is to design and optimize bioactive compounds with molecular modelling tools. His studies are focused mainly to membrane proteins belonging to the GPCR (Purinergic P1 Receptors and others) and ion channel (Purinergic P2X Receptors) protein families.
