ACKNOWLEDGEMENTS TO REVIEWERS

Bentham Science Publishers would like to thank the editorial board members and the reviewers of the journal *Current Molecular Pharmacology* (CMP) for their availability, promptness and constructive comments and feedback on the manuscripts submitted to CRP. Rigorous, objective and timely peer-review is crucial to sustain the high publication standards of the journal. The readers will find below the list of reviewers who dedicated their time and expertise to the peer-review process of the Journal during 2022.

Wael M. Abdel-Rahman (United Arab Emirates)  Sehkar Oktay (Turkey)
