Meet the Editorial Board Member

Sari Goldstein Ferber
Department of Psychiatry
Bar-Ilan University
Ramat Gan
Israel

Sari Goldstein Ferber, PhD, is a clinical psychologist trained at the Department of Psychiatry, Harvard University Medical School. In her PhD dissertation, she pioneered innovative neurobehavioral treatments in Neonatal Intensive Care Units in Israel. She is an associate of the highly ranked journal Behavioral and Brain Sciences, with publications in this journal and on The Editorial Board of other High ranked Journals in Psychiatry and Neuroscience. She received the Fulbright New Century Scholar award and is a USA Department of State Alumna. She received many grants, including a US-Israel Bi-National Research Foundation grant. She was a Visiting Professor at Columbia University. She published around 40 scientific articles in highly ranked journals. Her recent publications focus on biological clocks and control systems models.
