Manoj Kumar Karnena, Madhavi Konni, Bhavya Kavitha Dwarapureddi and Vara Saritha

1Department of Environmental Science, GITAM Institute of Science, GITAM (Deemed to be) University, Visakhapatnam 45, India; 2Department of Basic Sciences and Humanities, Dadi Institute of Engineering and Technology, Visakhapatnam, India

The authors were notified of the complaint and were requested to provide justification in their defense. However, they have not responded in this regard.

Bentham Science apologizes to the readers of the journal for any inconvenience this may have caused.

BENTHAM SCIENCE DISCLAIMER:

It is a condition of publication that manuscripts submitted to this journal have not been published and will not be simultaneously submitted or published elsewhere. Furthermore, any data, illustration, structure or table that has been published elsewhere must be reported, and copyright permission for reproduction must be obtained. Plagiarism is strictly forbidden, and by submitting the article for publication the authors agree that the publishers have the legal right to take appropriate action against the authors, if plagiarism or fabricated information is discovered. By submitting a manuscript, the authors agree that the copyright of their article is transferred to the publishers if and when the article is accepted for publication.

DISCLAIMER: The above article has been published, as is, ahead-of-print, to provide early visibility but is not the final version. Major publication processes like copyediting, proofing, typesetting and further review are still to be done and may lead to changes in the final published version, if it is eventually published. All legal disclaimers that apply to the final published article also apply to this ahead-of-print version.
