ISSN: 0929-8665 (Print)
ISSN: 1875-5305 (Online)

Aims & Scope

Protein & Peptide Letters publishes letters, original research papers, mini-reviews, and guest-edited issues in all important aspects of protein and peptide research, including structural studies, advances in recombinant expression, function, synthesis, enzymology, immunology, molecular modeling, and drug design. Manuscripts must have significant elements of novelty, timeliness, and urgency that merit rapid publication. Reports of crystallization and preliminary structure determination of biologically
